CME CREDIT: The American Society for Dermatologic Surgery is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The American Society for Dermatologic Surgery designates this educational activity for a maximum of 4 **AMA PRA Category 1 Credits™**.

Physicians should only claim credit commensurate with the extent of their participation in the activity.

Attention Residents!

Plan now to Attend the Premier Educational Forum for Dermatologists who specialize in Cosmetic, Mohs Micrographic and General Dermatologic Surgery!

The American Society for Dermatologic Surgery (ASDS) and the American Society for Cosmetic Dermatology and Aesthetic Surgery (ASCDAS) have partnered to formulate an unparalleled annual meeting, featuring

- Diverse Scientific Sessions
- Intimate Instructional Coffee-talk Sessions and Teas with the Masters
- Multiple Dynamic Keynote Speakers
- Reconstructive Challenge Track
- Live Patient Demonstrations
- The Now Popular "You Asked For It" Session and (new for 2010) **Unopposed** Iron Surgeon Session!
- Networking via Luncheons and Social Events Including the 5th Annual Gala
- Exhibit Hall covering 21,000 square feet
- And more!

Special Resident focused offerings:

- Special Advanced Registration Rate of \$250
- Residents/Fellows-in-Training/Young Dermatologic Surgeons (YDS) Symposium, October 20
- Residents/Fellows-in-Training Luncheon
- Residents/Fellows-in-Training/YDS Hospitality Suite
- Special Reception for Residents and Exhibitors only, to network and learn the latest information
- ASDS Resource Center – info on offerings with Reduced Rates for Residents
- Core Curriculum in Dermatologic Surgery Track

Renowned speakers will cover such diverse topics as skin care and treatment of damaged skin; comprehensive skin cancer treatment; procedures and concerns in ethnic skin, vein treatments and therapy; rejuvenation of the face, eyelids, neck and hands; new and advanced dermatologic surgery; cosmeceuticals; skin grafts; complications; the latest in lasers; regional reconstruction; controversies in cosmetic dermatology; total body rejuvenation; Mohs, and; varied practice management topics including coding, documentation, understanding RUC, and how to build your practice.

From the myriad continuing medical education sessions to exhibits to social events, you'll find the perfect balance of content and networking for professional growth and information you can apply to your practice and patient care. Sessions will also be coded based on the ACGME/ABMS Core Competency to which they are relevant. We hope to see you there, October 21-24!

Watch your email and www.asds.net for regularly updated meeting and registration information.
