

2026 ASDS Premier Annual Resident Cosmetic Symposium: Industry Partnership Opportunities

April 17-19, 2026 • Fairmont Dallas, Dallas, TX

The most comprehensive cosmetic symposium for dermatology residents and fellows-in-training!

The American Society for Dermatologic Surgery invites you to participate and support our Dermatology Residents for our annual Resident Cosmetic Symposium. Leading ASDS experts will cover the anatomy, science, treatment indications, available therapies and techniques for cosmetic procedures performed by dermatologic surgeons. This unique event will provide face-to-face networking and promotional opportunities to reach Dermatology residents plus additional branding benefits to promote your company's products and services after the symposium concludes.

*Gain recognition for your company by supporting the Welcome Reception on Friday evening in the exhibit hall. Your company's name will be prominently displayed on signage and promotional materials. You'll have the opportunity to utilize a small area next to the food and beverage locations to provide literature. The supporting company will also be allowed one promotional insert for the tote bag.

Resident Hosted Meet and Greet: \$3000 (plus the cost of F&B)

Elevate your brand with an intimate, interactive meet and greet during the ASDS Resident Symposium. In a private setting, connect directly with up to 30 dermatology residents for 45 minutes of dynamic engagement. Customize your presentation format-whether through interactive discussions, hands-on demonstrations, or innovative product showcases. Enhance the experience with curated giveaways or food and beverage, leaving a lasting impression on future leaders in dermatology. This exclusive opportunity allows your organization to foster meaningful connections and spotlight your expertise in a personalized environment. Sponsoring organizations are responsible for managing invitations, coordinating food and beverage orders, and promoting their session to maximize impact and visibility.
