

# Premier Annual Resident Cosmetic Symposium

April 17 - 19, 2020 | Dallas, TX

COSMETIC AND RECONSTRUCTIVE EXPERTISE  
FOR YOUR skin health and beauty<sup>SM</sup>

★★★★★ Training  
across the board, based  
on attendee evaluations  
for 6 years running!

## Get hands-on training in the latest cosmetic procedures.

*Prepare for real-world scenarios with actual case studies from Directors Susan Weinkle, MD and Thomas Rohrer, MD and renowned expert faculty.*

Each session – taught by leading ASDS experts – discusses the science, treatment indications, available therapies, techniques and management of complications. Focus will be placed on patient safety and how to obtain optimal cosmetic outcomes. A structured networking dinner, receptions, and discussions with fellow residents and expert faculty offer expanded opportunities for questions and interactive learning.

### Build a strong foundation in:

- Anatomy of beauty
- Fat-reducing and acne scar injectables
- Soft-tissue fillers and neuromodulators
- Peels and cosmeceuticals
- Vein treatments
- Laser and energy-based rejuvenation
- Body contouring

### Sessions include:

- Small group case studies
- Live patient demonstrations
- Hands-on workshops
- Preparing for practice
