

# ASDS Research Grants

Fostering Innovation

## **RULES & GUIDELINES FOR SUBMISSION OF ASDS RESEARCH GRANTS**

---

### **Who can submit:**

In order for applications to be considered, they must meet the following eligibility criteria and guidelines:

- a) The principal investigator must be an ASDS member.
- b) The research topic must be clinically or socioeconomically oriented to dermatologic surgery.
- c) Research must be conducted in the United States or Canada with sponsorship by a department or division of dermatology or other independent dermatologic-related oversight group or organization.
- d) The applicant/principal investigator must be physically and intellectually capable of performing the work.
- e) The applicant/principal investigator must be use his/her institution or grant administrator approves him/her to accept the grant prior to submitting the application.
- f) Members of the ASDS Research Work Group are precluded from being a Principal or Co-Investigator on a Research Grant.

### **Submission Guidelines**

- The submission deadline is 11:59 pm Central Time on **Friday, July 1, 2022**. Edits and changes to grant submissions can be made within the submission site up until the deadline. After this date/time, the submission site will close automatically and will no longer accept new submissions or edits to existing submissions. **There will be no exceptions to this policy.**
- All Applicants will be considered regardless of age, race, gender, national origin, or religion.
- Applications must be submitted via the online application system; no faxed or emailed entries will be considered.
- Multiple applications from the same institution/practice may be submitted; however, **ONLY ONE** application per institution/practice may potentially be accepted.
- Applicants cannot have a concurrent ASDS grant research funding.
- Applicants must be complete to be considered and must include the completed application and supporting documents.
- Research grant monies are awarded to fund direct costs related to the research and are disbursed in three installments to the sponsoring party on the application.
- Unused funds must be returned to ASDS, accompanied by a summary detailing why the funds have not been used.
- Cutting Edge Research Grant: A six month report must be submitted by June 30, 2023. A final report must be submitted by December 31, 2023, unless an extension is requested.
- Jumpstart Seed Grant: A progress and financial report must be submitted to receive a progress payment. A final report must be submitted within 24 months based on the dates included on the research reward letter, unless an extension is requested.
