

RULES & GUIDELINES FOR SUBMISSION OF INDUSTRY ABSTRACTS

All industry abstracts accepted for the 2022 ASDS Annual Meeting will be a recorded oral presentation, comprising concise presentation of research findings with a maximum presentation time of 5 minutes. Recorded industry abstract presentations will be shown as pre-recorded presentations during the ASDS live meeting.

Who can submit an Industry Abstract:

ASDS welcomes industry abstract submissions from pharmaceutical, technology, cosmeceutical and dermatology companies and researchers. Industry abstracts should be scientific, original, and should address cutting-edge research, experiments, new techniques, processes or procedures.

Submission Guidelines:

Industry recorded abstract entries must be submitted by 11:59pm Central Time, **Wednesday, August 31, 2022** and can only be accepted electronically via online abstract system; no faxed or emailed entries will be considered.

Abstracts should adhere to the following guidelines:

- **Organization:** The body of the abstract should be organized into the following five sections: (1) Title (2) Objective / Purpose (3) Design (4) Results / Summary (5) Conclusion
- **Commercialism:** You may use trade and product names for pharmaceuticals, devices, medications, and / or instruments including lasers.
- Abstracts that are accepted for the ASDS Annual Meeting may be reprinted in other media.
- Submissions will be reviewed and graded on the educational value of the abstract and the extent to which they present new and significant investigative work.
- **Example abstract topics:**
